Rabbis, rogues and schlemiels: Jewish humor and its roots

Fall 2004, 2A
Lewis Glinert
Office: 305 Bartlett Hall
Office hours: Tu, Th 9-10 or by arrangement

Description

What is Jewish humor, what are its roots, and what can it tell us about Jewish society, its values and its self-image? This course mines the rich tradition of Hebrew comedy and satire from Biblical Esther to Mendele's Russian Shtetl, and their relationship to Yiddish and Israeli humor, Groucho Marx and Woody Allen. We will also compare the joke, popular song, film and the cartoon, asking how genre impacts on theme. A unique resource for this course is the online Dartmouth Jewish Sound Archive.

Taught in English translation. Open to all classes.
